*Dear Art-Lover Friends,*

*This special album, which brings us together with the universal language of art, gathers together the works of esteemed artists who participated in the 11th International Photography Competition held as part of the 66th International Akşehir Nasreddin Hodja Festival. This year's theme, "Minimalism in Photography", aimed to explore the power of simplicity, the meaning in the details and the depth of plainness in visual storytelling.*

*Minimalism; by choosing simplicity from the complexity, it tells more with less. With this understanding, among the 1729 photographs sent by 477 participants from 34 different countries, the works that stood out both technically and aesthetically were selected by the jury.*

*This album brings together borderless impact of photographic art and perspectives from different parts of the world with a simple aesthetic. Each frame reflects not only a moment. But also a thought, a feeling and the artist's inner world.*

*I would like to sincerely thank the Akşehir Association of Photography Amateurs (AKFAD), our jury members, the entire organization team and all photographers those who contributed this album with their works for contributions to this meaningful competition, which was supported by the International Federation of Photographic Art (FIAP) and the Photographic Arts Federation of Turkey (TFSP).*

*We believe that you will find many things to inspire you in this visual journey, where simplicity meets depth of thought.*

*Dr. A. Nuri KÖKSAL  
Mayor of Akşehir*

*Akşehir Municipality and Akşehir Photography Amateurs Association (AKFAD) as, we are pleased to announce the results of the 11th International Photography Contest, held jointly as part of the 66th International Nasreddin Hodja Festival, with the theme "Minimalism in Photography."*

*With minimalism being an art movement that strives to reduce content to its essence, our aim was to capture complexity in a simple and refined visual language. This year, our competition attracted 1,729 photographs from 477 participants across 34 countries.*

*We thanks to Akşehir Mayor Dr. Ahmet Nuri Köksal, Mr. Eray Zengin, Şule Doğanç, Director of Culture and Social Affairs, and all the dedicated staff of Akşehir Municipality. We also sincerely thank our esteemed jury members and all participating photographers for their valuable contributions. A special appreciation goes to the AKFAD Board of Directors and members, whose efforts made this event possible.*

*We warmly congratulate all the photographers whose works were awarded or selected for exhibition, and we look forward to coming together again in our future photography contests.*

*ALPAY KANTARCI  
Chairman Of the Akfad*
